Class Descriptions:

TUMBLE TOES: Our Tumble Toes dance classes provide a basic introduction to dance and gymnastics for children ages 2-5 years. Our Tumble Toes classes will meet for an hour each week and the time will be split between gymnastics instruction and basic ballet technique. Students will need a leotard for this class.

TINY TWINKLE TOES/TWINKLE TOTS: These classes will focus on coordination and rhythm in a creative and fun way. Children will be introduced to the basics of a variety of dance styles. Students will need a black or pink leotard, optional tights, ballet shoes, and tap shoes for this class.

MINI COMBO: Our Mini Combo classes are offered for 5-8 years. These classes will focus on specific dance technique such as ballet, tap and jazz. Our combo classes will introduce children to various dance styles and vocabulary. Previous dance training is not required. Students will need a black or pink leotard, optional tights, black ballet OR jazz shoes, and tan tap shoes for this class.

JUNIOR COMBO: Our Junior Combo classes are offered to dancers age 7-12 years and will focus on the fundamentals of ballet, jazz, and tap technique. This class is perfect for beginner or intermediate dancers looking to further their dance technique and training. Students will need a black or pink leotard, dance shorts/pants/capris (optional), black ballet OR jazz shoes, and tan tap shoes for this class.

HIPPITY HOP AND JAZZ/HIP HOP CLASSES: Our Jazz/Hip Hop classes are offered for children ages 5-16 years. Hippity Hop will serve as an introduction to hip-hop and jazz dance for the younger student. All hip hop classes will focus on musicality, rhythm and footwork that introduce the jazz/hip hop movement. Students will need tan jazz shoes for these classes.

JUMPS/TURNS CLASS: This class will focus on ballet and jazz jumps/turns for dancers age 10-18 years. Previous training is not required but basic fundamentals of the styles will help.

COMPANY CLASSES: Must be approved by director for enrollment.

SILKS CLASSES: Students will learn to maintain their body weight while suspended mid air, develop upper body, abdominal, and leg strength, and increase flexibility in this class. All students will learn the proper way to climb up and down the silks using various techniques, ways to tie in feet and arms, and safety precautions that must be taken at all times as well as different tricks, drops and they will start to put combinations together creating aerial routines. All tricks, tie-ins and drops will first be perfected on the ground before students will be allowed to perform them in the air.
